

DISCUSSION QUESTIONS

These questions are designed to extend the impact of the Sunday message. Feel free to use them for your personal study time, your family, or your Family Group.

MESSAGE OVERVIEW

Many of us have seen poor attempts to share faith, from bad church signs to street preachers. Sometimes the fear of what people think keeps us from wanting to share our faith. If we are serious about what we believe, we need to share it with others. And if we have inhibitions about sharing faith, we'll need to change our perspective.

DISCUSSION QUESTIONS

Does sharing your faith make you feel self-conscious, even maybe a little embarrassed? Why do you think that is?

How does being more concerned with what others have to gain than what we have to lose help us get more comfortable sharing faith?

What do you think it looks like to live a transformed life?

Think about the last time you had a conversation about faith with someone who wasn't a Christian. What went well? What could have improved? What could you do to communicate more simply and directly in the future?

Who is your "one?" How have you been praying for them? How have you been able to make progress toward a conversation about faith?

APPLICATION

In light of this, how are you going to be different in the future?
