MESSAGE OVERVIEW

For the month of October we're covering our Basic Biblical Beliefs (BBB). These provide the biblical justification for why we do what we do. Without BBB's our "why" is rooted in our opinion, not in God's Word. The BBB we covered this week is: God's Word is alive and active.

DISCUSSION QUESTIONS

Describe a time in your life when you received "the right word at the right time." What kind of difference did it make in your life?

What does it tell you about God that He's been speaking to people "at many times and in various ways" throughout history?

If Jesus is "the exact representation" of God's being, what does that tell you about what God is like?

What comes to mind for you when you think of the Word of God cutting you or judging you (Heb. 4:12)? Is it positive or negative? Please explain.

Have you ever experienced a time when God spoke to you through His word? If you're willing, please share it with the group.

APPLICATION

In light of this biblical truth how are you going to be different in the future?
