### MESSAGE OVERVIEW

We have all experienced confusion as a result of poor communication or vague expectations. But Jesus was clear about how his people ought to put first things first. The first and most important thing, according to Jesus, is this: Love God.

### DISCUSSION QUESTIONS

Have you ever experienced unnecessary conflict or confusion because of a lack of clarity or poor communication?

What is something that competes with God for your heart's attention?

We all want to start our relationship with God with a baseline of love. Has that always been your baseline? What do you need to move away from in order to have a foundation of love in your relationship with him?

Refer to the Discipleship Pathway. Under "Love God," what is something that comes easy for you? What is something that is more difficult?

### APPLICATION

What is God saying to you through this passage of Scripture?  
In light of this, how are you going to be different in the future?
