*These questions are designed to extend the impact of the Sunday message. Feel free to use them for your personal study time, your family, or your Family Group.*

### MESSAGE OVERVIEW

For the month of October, we'll be breaking down our church's Basic Biblical Beliefs.

These are extremely important because they provide a foundation for what we believe about Scripture and its central focus, which gives us purpose for how to live in response to what it says. The overall narrative of Scripture teaches us that God is on a mission.

### DISCUSSION QUESTIONS

For any reason (work, family, church, etc.), have you ever been stuck performing a task without a good reason for why to do it? In other words, have you ever been stuck with a "what" without a "why?" How did you handle it?

What images, ideas, thoughts, etc. come to mind when you hear the word "mission?"

What is God's mission? What is our role in it? How do we participate in it?

Think about a passage of Scripture that especially speaks to you. What does it say about God's mission? How does it motivate you to join God on mission?

### APPLICATION

In light of this biblical truth, how are you going to be different in the future?
