

Make Disciple Makers

Discovery Bible Study

Prepared by: Preston Conder | Last Updated: November 14, 2019

Why

- Help growing disciples mature through obedience
- Reach neighborhoods or networks of people far from God

How

- Depend on God through prayer and fasting before, during, and after your group
- Allow the Holy Spirit and Word to be the primary teacher
- Facilitate don't lecture
- Ask questions to help everyone discover truth
- Don't let any one person dominate the conversation
- Make it about obedience not simply knowing more information
- Invite everyone to commit to obey, share with others, and meet needs
- Identify, train, and coach new leaders who can multiply groups

What

1. Look Back

- What are you thankful for this week?
- What are the challenges you've faced this week?
- How did you obey, share, and meet needs from last week's meeting?

2. Look Up

- Read the passage multiple times
- Have everyone retell what happened
- What did we learn about God?
- What did we learn about people?

3. Look Forward

- How are you going to obey this week?
- Who are you going to share with this week?
- How can we help with the challenges we or others are facing this week?
